

Divestment Chant Sheet

Hey Tom DiNapoli
Make our pensions fossil free

Divest! Divest!
It's in our best In-ter-est

Coal, gas, oil
Leave it in the soil?

No more coal, no more oil,
Keep your carbon in the soil

Keep the coal in the hole
Keep the oil in the soil
Keep the gas in the grass

Ain't no power like the power of the sun
'Cause the power of the sun don't stop, don't stop

Renewables are doable!

We are in a climate crisis
Fossil fuels are worse than ISIS

Fossil fuels create an existential threat
Invest in renewables, divestment is quite doable

When our people are under attack
What do we do? Stand up! Fight back!

What do we want? Climate Justice!
When do we want it? Now!

What do we want? Divestment!
When do we want it? Now!!
