

UNION CLIMATE CHANGE SURVEY

Your Union is seeking to gain a deeper understanding of opinions and concerns surrounding climate change and its impact on the jobs and livelihood of union members. The results of this short survey will inform campaigns aimed at protecting and improving the jobs, livelihoods, and communities of our members.

We thank you for participating in this survey. We look forward to sharing and discussing the results with you.

PART 1. YOUR OPINION ON CLIMATE CHANGE:

1. Climate change has increased the frequency and intensity of extreme weather events such as hurricanes, flooding, snowstorms, wildfires, and heatwaves. Have any of these sorts of extreme weather events impacted your job on a day to day basis or at a particular moment?

- YES
- NO
- NOT SURE

If yes, how? (Please explain)

2. Has climate change interrupted your job, wages, or benefits?

- YES
- NO
- NOT SURE

If yes, how? How much did it cost you? (Please explain)

3. Have extreme weather events like hurricanes, flooding, snowstorms or high heat impacted your home or your household expenses?

- YES
- NO
- NOT SURE

If yes, how? How much did it cost you? (Please explain)

4. Has your employer or agency head talked about what they believe will be the impact of climate change on the company/agency or your work location? (Briefly)

- YES
- NO
- NOT SURE

If yes, how? What did they say? (Please explain)

5. Does the location of either your workplace or your home contain a particular climate change challenge?

- YES
- NO
- NOT SURE

6. How much do you think climate change will affect you personally?

- Not at all
- Only a little
- A moderate amount

- A great deal
- Don't know
- Climate change is not real

7. How much do you think climate change will affect your kids or grandkids personally (or kids in general)?

- Not at all
- Only a little
- A moderate amount
- A great deal
- Don't know

8. How much do you think your kids or grandkids (or kids in general) worry about climate change and their future?

- Not at all
- Only a little
- A moderate amount
- A great deal
- Don't know

9. What are the products or services sold by the company for which you work? OR what are the services provided by the government agency or department for which you work?

10. If you were in charge of your community, the state or the nation, what would you do to address climate change?

11. Do you think it is better for the Union to engage in the fight against climate change destruction, or to ignore the issue due to the sensitivity of fossil-fuel related jobs?

12. If you believe your union should be doing something to address climate change, what do you think it should do?

PART 2. DEMOGRAPHIC QUESTIONS:

13. What is your home zip code? _____

14. What is your gender (e.g. "male" "female" "other")? _____

15. What is your age? _____

16. What is your race? _____

17. Which of these is closest to your personal and household economic situation?

- struggling, unable to pay bills
- doing ok, not too worried
- comfortable, secure about economic situation

18. Name of your union or organization: _____

FINAL THOUGHTS:

19. Is there anything else that you want to add that we may have missed?

This concludes the survey. Thank you for your time!

WANT TO KNOW MORE?

Do you want to learn more about Climate Change and how to become involved in local environmental campaigns? If yes, please provide your contact information on the following page—be sure to detach the page so that your survey responses will remain anonymous.

Do you want to know more about climate change and how to get involved?
